Website

Innovation

Please describe the innovation.

Which of these Infravation topics will your stand address ?

Advanced predictive infrastructure performance processes

Ensuring infrastructure performance under all weather conditions

Keeping freight routes open through zero-intrusive maintenance

Rapid and non-destructive methods for routine quality and performance checks of materials and construction

Enhanced durability and life-time extension

Virgin material reduction by substitution or recycling

Eco-design; resource and energy efficiency in road construction and maintenance

Maturity

Please describe the motivation of your innovation, e.g research scoping pre-commercial development and initial commercialisation, etc.

Visual impact

Will you display/demonstrate a prototype ? a product ? a mock-up ? other ? if so, please describe.

Interactive

How the visitor can interact with the demonstration, if any ?

Added value

What added value will your exhibit bring to Infravation ?

Specific requirements

Please describe any special features needed , e.g high voltage, heavy floor loading, unloading needs, etc.

For harmonization purpose, the stands will be pre-furnished and the visual of each company will be on the back panel.

The following will be available free of charge to successful SME applicants*:

- The space allocated to your exhibit. The standard size of a booth is 6 square meters (2 m width) .In exceptional cases a double stand can be allocated but please state this clearly in the 'very specific requirements' field in the proposal form.
- Walls and construction elements, white carpet, back panel with your logo and visual
- Some furniture (1 brochure rack, 1 high table and 2 high chairs)
- Electrical power (220V, 32 Amps), lighting
- free admissions to the exhibition and conference, including lunches and receptions
- An entry on the website and the exhibition guide distributed to all conference delegates and exhibition visitors
- Wifi connection

Optional and payable 400 euro for the 2 days : Plasma screen on foot

Please note that stands must be staffed continuously during the two days of the exhibition (5th and 6th June from 8.30 a.m to 6 p.m) as well as during the opening cocktail on 4th June from 6 to 8 p.m

*Commercial Enterprises not meeting the criteria of SME may be required to pay commercial rates.
